THE REBEL RECORDER

Listen my friends and you will hear, about the
stirring events of the past school year,

Whether band or a test, a dance or a game,

To record every event has been our chief aim.

To stop, look, and listen, that mem'ry may last,

As you chuckle or sigh, when you ponder the
past.

We're off to our mission, to do or to die,

In our role of recorder at Zion Chapel High!

DEDICATION

Mr. Douglas Green

The members of the REBEL 82 staff proudly dedicate this record of our memories to Mr. Douglas Green.

A couple of years ago we were given an insight into what Zion Chapel will be like when Mr. Green retires. In November of 1979 he resigned his position as principal for health reasons. In the fall of 1980 we received news that was greeted with jubilation. Mr. Green had agreed to again be our principal.

Few people who go through this life have the opportunity to favorably influence as many young people as has this man of God. His love and concern for all those with whom he comes into contact shows. He gives us the benefit of his wisdom based on an abundance of common sense.

Not only is he a principal that his teachers and students love, his years as a classroom teacher will never be forgotten by those who sat in his classroom.

With this dedication we document for past and future generations the loyalty and service that Mr. Douglas Green has given to Zion Chapel High School.

Preparation and completion of a yearbook is a part of the requirements to earn credit in journalism. Other requirements include the preparation of a weekly newspaper, "REBEL NEWS", in THE ELBA CLIPPER. But before either of these can be successfully completed, it is necessary to fulfill the other requirements. These are the study of both newspaper and yearbook journalism.

The year's work begins with the study of reporting stories in straight news style. Then the class is introduced to a whole new vocabulary of terms such as rough draft, picture cropping, layout, spec sheet, deadlines, mug shots (not the police type), and photo schedule.

In the early days of the school year it seems that there is never enough time to get done all that has to be done. But as each deadline is met the work seems to lighten and after all the work was as much fun as all thought it would be.

Here then is REBEL 82. It has been our "child" for the past several months. The time has come when it's ready to go out on it's own. Take it and cherish it for the memories it holds for "never shall we pass this way again".

The Year In Review

The school year 1981-82 started off with the usual noise and confusion but after a few days it became apparent that everyone would settle down. The students then went on with their business of learning while the teachers got down to the business of teaching.

The weeks passed and the first football game brought a welcome surprise Zion Chapel defeated Houston Academy in Dothan's Rip Hewes Stadium. It was a victory to be savored while it lasted! As it turned out the season turned out to be a rebuilding season for the team. But let it be known that the players never stopped playing, the cheerleaders never stopped cheering, and the fans never stopped coming.

With October came Homecoming and the usual Homecoming activities. Judy Helms was elected Homecoming Queen to reign over all the activities of the day.

October was also the month of the Halloween Carnival sponsored by the Parent Teacher Organization.

November saw some new events and some old events. The old was the annual Rebel Beauty Pageant sponsored by the yearbook staff. Entertainment for the pageant was furnished the "old" hands Randal Myers and Mike Lindsey. A "new" hand Charles Svith pitched in as Master of Ceremonies for the evening. Judges for the event were from Troy State University. When the event was over Judy Helms was Campus Beauty, Connie Flowers was Junior Beauty, and Laura Brown was Elementary Beauty.

The new event for the month of November was sponsored by a somewhat "new" organization the Student Government Association. Under the leadership of Co-Presidents Lori Mehaffey and Steve McCaroll, the S.G.A. conducted a food box project that with a little effort could become a worthwhile yearly event at Zion Chapel.

Steve McCarroll was selected by his classmates and his teachers to receive the D.A.R.'s Good Citizenship Award. Later he was selected alternate for the district.

With December came some really cold weather and a great many parties that even one more would have been impossible to fit into anyone's schedule.

The Band had a party at Skateland in Enterprise. The Beta Club had a party for some Elementary Kids. The Senior Class had a party at Mrs. Powell's house. The 4-H Gold Key Fraternity had a party. And the annual staff had a party. This was one party that Mrs. Bryan won't soon forget. The annual staff presented her with a genuine Hummel Figurine. She has talked about how she liked them for many years and now she has one of her own.

In December the annual staff entered a float in the Elba Christmas parade along with the Rebel Marching Band and the Rebel Cheerleaders.

December was also the month that the Juniors received their classrings and earnestly began work on the Prom coming in April. Finally at the end of that month came the much needed two week Christmas holidays.

ALL TOGETHER NOW, REBEL PRIDE!

The return to school in January meant the end of the first semester and the beginning of the second. The Vocational School in New Brockton offered a new course, Health Occupations. Enough Zion Chapel students took advantage of this course to add another bus to the one already going in the mornings.

Two weeks after the return to school from the Christmas holidays, Z.C. students had another three day vacation. Ice, snow, and sleet made the roads dangerous so school was called off. This was fine for those people who had electricity; they could watch the soaps! This group would definitely include Mrs. Herbert and Mrs. Bryan.

February brought the end of a basketball season that held some disappointments. A hard working group of boys fought "tooth an toe nail" for victories that seemed to slip through their fingers in the final seconds of many games.

ALL TOGETHER NOW,

The weeks between the end of the Christmas holidays and the spring holidays in March can seem twice as long as they really are. But when the trees began to turn green, the first flowers popped out of the ground, and the azalas were in full bloom spring holidays arrived. Many Z.C. students performed the age old ritual of high school students everywhere, they made the pilgrimage to the beach at Panama City. There they found water too cold to swim in, a sun not hot enough to tan, and what looked like every teenager in America, each with their own car and each driving it up and down the beach road. With all the proper rites performed these teenagers were able to return to school for the year.

ALL TOGETHER NOW, REBEL PRIDE!

REBEL PRIDE! ALL TOGETHER NOW,

ALL TOGETHER NOW, REBEL PRIDE!

In April the nearness of the return of the yearbook intensified everyone's anticipation. This is always an eagerly awaited event in any school. The end of the month was Prom time and the Seniors were royally entertained by the Juniors.

May came and heart strings began to feel tugs. After all this was the last month some forty six Seniors would ever be full time Zion Chapel Students.

The completion of the Rebel 82 has taken the Annual Staff seven long and very busy months. The purpose of this Annual has been to record the 1981-82 school year—the events, the surprises, the disappointments, the happiness, and even some of the sadness. We hope that in the future you can look back on this and all your years of school and say that these were truly the best of times, and then look in your heart and to the future and know that the best is yet to come. We should like to thank Mr. Green and all the teachers, for all their cooperation, School Pictures for all their help in taking pictures, all our advertisers for buying ads, and Mrs. Bryan for helping us with our problems and putting up with our noise. The Senior Annual Staff members would like to wish "Good Luck" to the Junior members for the successful Rebel 83.

Spinning a rope's a lot of fun—providing your neck ain't in it.

Steven Michael McCarroll

The most that you can ever do, is the best that you can.

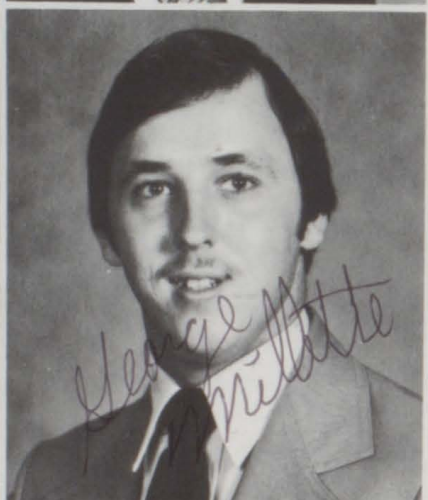

Jacob Dewayne McDonald

Though the road may be rough and the times may be hard, if you really love someone you'll stick it out. You'll soon find out that its the only road to travel.

Lori Ann Mehaffey

It's not how much we have, but how much we enjoy that makes happiness.

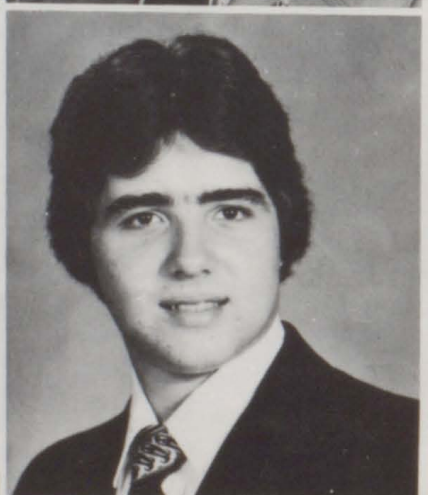

George Wallace Millette

Thank you Lord for your love, but this one thing I pray, let me love someone else with your love today.

Allie Louise Mincy

Each Day is a new discovery.

James Michael Mobley

He's a good boy in school, but have you seen him any other place?

Randy Thomas Vance

You cannot run away from weakness; you must sometimes fight it out or perish.

Randolph Paul White

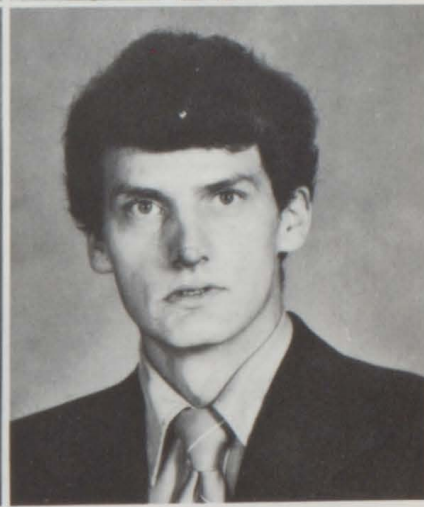

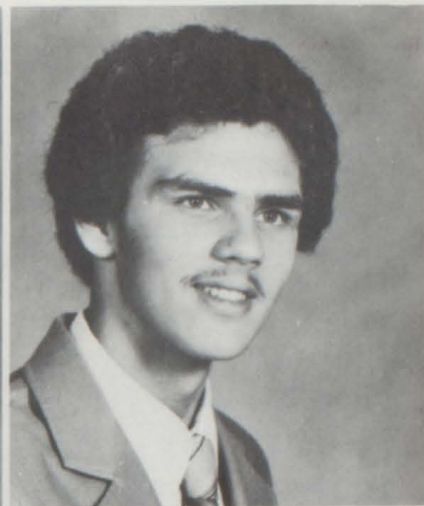

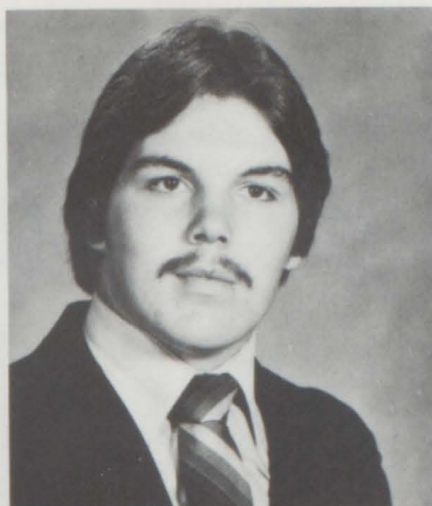

Some has said that those who are mentally and emotionally healthy, are those who have learned when to say yes, when to say no, and when to say whoopee!

Anthony Willett

If you aspire to the highest place it is no disgrace to stop at the second or even the third.

Tim Williams

It is better to have loved and lost than to have never loved at all.

Friendship Is ...

The most cherished possession ...
A sunbeam in the darkest hour,
A blanket of security
In times of distress.

The most sought after possession ...
Bought only with true love
and a special understanding,
never bribed,
never resold.

The most well-kept possession ...
Wrapped in honesty, trust and
hope,
Tied with the best handclasp,
Given with love.
